<u>Salary Ranges</u>. Added salary ranges for medical specialist forensics added during the 2011-2013 period.

<u>Hiring Incentive</u>. Add language to increase the hiring incentive allowing the Appointing Authority and with the approval of the Commissioner of Minnesota Management & Budget, to offer a hiring incentive of up to \$7,500 to encourage a candidate to accept an appointment in a difficult to fill position where an incentive is necessary to attract a qualified individual.

<u>DHS Loan Reimbursement Incentive</u>. Add language allowing loan reimbursement incentives for retention in a difficult to fill position.

<u>General Salary Increases</u>. Medical specialists covered by this Plan shall receive a salary increase of three percent (3%), rounded to the nearest cent per hour effective July 1, 2013, if the medical specialist has achieved performance standards or objectives. This salary increase shall not result in a salary above the new maximum of the salary range for the classification.

Effective July 1, 2014, all medical specialist covered by this plan shall receive a salary increase of three percent (3%) round to the nearest cent per hour, if the medical specialist has achieved performance standards or objectives. This salary increase also applies to medical specialists whose rates of pay exceed the new maximum of their salary range.

Performance-Based Salary Increases. Effective January 1, 2014, December 31, 2014, and the pay period in which January 1 occurs each January thereafter, a medical specialist who is in a position covered by this Plan on the previous day is eligible for one performance-based salary increase each year of up to three and one-half percent (3.5%) rounded to the nearest cent per hour if the medical specialist's current salary is not at or over the maximum rate of the new salary range and the Appointing Authority certifies that the medical specialist has achieved performance standards or objectives. The salary increase may be in the form of an adjustment to the medical specialist's base salary rate, a lump sum or a combination of both but shall not result in a base salary rate above the new maximum of the salary range for the classifications. Medical specialists whose salaries are at or over the new range maximum are not eligible for lump sum increases.

Effective January 1, 2016, the aggregate salary increases granted to medical specialists in an agency shall not exceed three and one-half (3.5%) of the aggregate salaries of eligible medical specialists in the agency.

<u>Wage Differentials – Department of Human Services</u>. Add language that differentials do not apply to medical specialist forensic salary ranges.

<u>Achievement Awards</u>. Add clarifying language to allow for team achievement awards as well as individual awards.

Medical/Dental Expense Account. Add language that states, "the maximum amount of salary reduction contributions allowed per calendar year under Section 125 of the Internal Revenue Code or other applicable federal law" to comply with current and future federal law changes.
